

# The EU and the European Security Strategy

## Forging a Global Europe

*Routledge Advances in European Politics*

Edited by **Sven Biscop**, Egmont—Royal Institute for International Relations, Belgium and **Jan Joel Andersson**, Swedish Institute for International Affairs, Stockholm, Sweden

Routledge Paperbacks Direct

The European Security Strategy (ESS) has become an important reference framework for the EU since its inception in 2003. Without strategy an actor can only really be a 'reactor' to events and developments. In the ESS the EU now has a strategy, with which it has the potential of shifting boundaries and shaping the World.

This volume explores this statement and examines the underlying concepts and implementation of the ESS as a judging tool of all the European Union's external actions. Contributors, closely involved in the early debate leading up to the ESS, assess questions such as how the strategy has shaped EU policy, how it relates to existing policies but also how it has added value to these policies and whether the strategy's objectives are sufficient to safeguard EU interests or whether they should be reviewed and added too.

The outline of the strategy itself is followed; addressing its historical and conceptual context, the threat assessment, the multilateral and regional policies of the EU, its military capabilities and its strategic partnerships. This book offers a comprehensive vision of how the EU can achieve the ambitious objectives of the European Security Strategy and become an effective global actor as the strategy helps to forge a global Europe.

*The EU and the European Security Strategy* will be of great interest to students and researchers of European politics and security studies.

**Selected Contents:** Introduction 1. The European Security Strategy in Context: A Comprehensive Trend 2. The European Security Strategy and Threats: Is Europe Secure? 3. The European Security Strategy's Global Objective: Effective Multilateralism 4. The European Security Strategy's Regional Objective: Neighbourhood Policy 5. The European Security Strategy and Military Capacity: The First Significant Steps 6. The European Security Strategy and the Partners 7. The European Security Strategy and the Continuing Search for Coherence 8. The European Security Strategy and the United States: The Past as Prologue. Conclusion
