

Growth Inc.

Peter De Keyzer, Managing Partner

Develops and manages the execution of strategic communications, advocacy and reputation campaigns for corporate and non-profit clients. Manages strategic communications for financial services, advocacy groups and transnational organisations. Uses his two-decades-plus experience in communications, media strategy and press contacts to help his clients improve theirs. Resident Thought Leader and Shaper of Strategies.

Graduated Magna Cum Laude with master's degree in Economics from Antwerp University. Worked as an Economist and Chief Economist for KBC, ABN AMRO, Petercam and BNP Paribas Fortis. Has over a decade of experience in giving presentations, moderating debates, participating in interviews, speeches and press conferences, as well as in writing editorials for Belgian and international press. Member of several advisory boards.
